

CONSULTING AND BROKING STRATEGIC RISK SOLUTIONS

JLT SPECIALTY ASIA

Understanding that large, diversified and complex clientele require far more than mere transactional services, JLT Asia's Strategic Risk Solutions team provides bespoke expertise and advisory for risk transfer design (both traditional and alternative), international wholesale placement and broad range risk mitigation capabilities – in a seamless offering.

Our clients benefit from our in-depth understanding of their insurance and risk management needs, which, combined with our experience and knowledge of the insurance market's risk appetite and non-traditional solutions, enables us to deliver highly cost effective and efficient outcomes.

We are a multinational, regional and local company. We have the scale to provide global solutions and services to meet the complex demands of the world's leading companies combined with our local knowledge and capabilities. This enables us to address the unique challenges faced by each of our clients.
